2023Ehime University Application Guidelines for Research Students from Abroad

(For applicants to the Faculties of Law and Letters, Education, Collaborative Regional Innovation, Science, Engineering, and Agriculture)

Last updated: November 1, 2022

Persons wishing to enroll as research students in the Faculties of Law and Letters, Education, Science, Engineering, and Agriculture at Ehime University should apply as follows.

1. Application qualifications

(1) Application qualifications

People who have graduated from university (including those who expect to graduate by the time of enrollment), or people deemed to have the equivalent or higher academic ability, with the intention to conduct research on specific matters relating to the Faculties listed above.

Note: Applicants deemed to have the equivalent or higher academic ability are those who have applied for and been granted a recognition of qualification. Those wishing to apply for a recognition of qualification should contact the person in charge of each faculty.

(2) Period of research

The period of research is up to one year. However, the period may be renewed if it is deemed necessary for the research.

2. Application form acceptance period and place for submission

(1) Application form acceptance period

a. Submitted by the applicant (residing in Japan)
